CHOOSE THE PATH THAT FITS YOUR JACK

Four Ways To Move Forward

All prices are per jack.

01 Repair Your Current Jack

$757.31 per jack

SIX-MONTH WARRANTY

Completed repair turnaround: 3–5 business days

Send Mercury your original jack for repair and receive your same jack back.

02 Core Exchange

$864.26 per jack

ONE-YEAR WARRANTY

3–5 business days after Mercury receives and approves a usable core

A usable, rebuildable core must be received and approved before the exchange jack ships.

03 Remanufactured Jack

$1,124.76 per jack

ONE-YEAR WARRANTY

Ships within 1–3 business days

For a customer without a usable core. In stock—call to confirm current availability.

04 New Drop-In Replacement

$1,497 per jack

THREE-YEAR WARRANTY

No core required

A new custom replacement path. In stock—call to confirm current availability due to high demand.

Important: Shipping is charged separately, customers are responsible for shipping both ways, and prices do not include applicable sales tax.

WHAT TO DO BEFORE SHIPPING

Four Straightforward Steps

01 **Start A Free Kwikee Jack Request**
Send your contact information, jack markings, ship-back address, and the option you want to discuss.

02 **Identify The Jack**
Include the part number, label, serial number, or other readable markings. Clear photos help.

03 **Package It Carefully**
Contain residual fluid, protect ports and exposed surfaces, and pack the removed jack securely.

04 **Confirm The Next Step**
Mercury follows up about the selected path, current availability, and any core or identification questions.

SEND THE RIGHT INFORMATION

Have These Details Ready

Coach make, model, year, and jack location
Readable jack markings, part number, or serial number
Photos of the complete jack, mounts, ports, and visible leak or damage
Your phone, email, and ship-back address
The repair, exchange, replacement, or core option you want to discuss

Qualified Personnel
Qualified personnel should handle jack removal and installation using the applicable RV and leveling-system procedures.

WARRANTY REQUIREMENT

Protect Your Warranty With A Complete Fluid Flush

Old, oxidized hydraulic fluid can rapidly shorten seal life.

- Repair, core-exchange, and new drop-in replacement warranties apply only after a complete hydraulic-system fluid flush during installation.
- Submit proof within 30 days after you receive the jack for the warranty to apply.
- Upload a receipt, invoice, work order, or clear photo at `mercuryhydraulics.com/kwikee-level-best-3000-jack-repair#warranty-proof-upload` or email `spacecoast@mercuryhydraulics.com`.

SELL A USABLE CORE

$50 Per Usable Jack

Mercury buys usable Kwikee Level Best 3000 cores for $50 each. Mercury provides the shipping label, and payment is issued after the core is received and approved.
